

PUBLIC NOTICE

Presidio County

Texas Community Development Block Grant Program

Presidio County is giving notice of the County's intent to submit a Community Development Fund application to the Texas Department of Agriculture – CDBG Program. The grant application request on behalf of the Redford Water Supply is \$275,000 for water facility improvements to construct one water storage tank at the Redford Water Plant. The Redford Water Plant is located approximately one quarter mile north of the entrance to Redford, Texas. The TxCDBG Project will benefit the Community of Redford. The application will be available for review on and after February 2, 2017 at the Office of the County Judge, Presidio County Courthouse located at 300 North Highland in Marfa, Texas during regular business hours. *Este aviso se puede encontrar en inglés y en español en la corte del Condado.*
