**PRESS RELEASE, FOR IMMEDIATE RELEASE:
IMPACT OF COVID-19**

As of 11/16/2020 there are 50 known active cases in Presidio County. This information is from the DSHS website.

We would like to once again reiterate the dire impact of the recent surge in Coronavirus cases has had on the Texas Department of Health Region 9/10 of El Paso. I was informed by our Regional Medical Director, Dr. Rachel Sonne, that there several significant factors that have caused the disruption of their ability to report cases at the current time.

Due to the high number of persons currently infected in the community, they are no longer able to report cases in the same manner as in the past. Also, due to a high number of staff in Region 9/10 being quarantined, and the subsequent closure of one of their buildings, they are not currently able to gain access to their hard drive storage location, and until such time when they can regain access they will not be able to provide the different jurisdictions with the information needed to provide press releases.

Please be patient as they work to adapt to a sustainable mode of operation.

The Texas Department of Health Region 9/10 of El Paso sent a PSAP (Public Service Answering Points) Report, which was in a new format so at this time we are able to report 23 new cases, with 19 in Presidio and 3 in Marfa (1 unknown).

In the meantime please continue to be vigilant in practicing as much social distancing as possible, wash your hands frequently and ALWAYS WEAR A MASK.

WITH CORONA VIRUS ON THE RISE, BIG GATHERINGS SHOULD BE AVOIDED. STATE CORONAVIRUS RULES LIMIT OUTDOOR GATHERINGS TO 100 PEOPLE AND MANDATE MASKS WHERE IT IS HARD TO MAINTAIN DISTANCE FROM OTHERS. THIS REITERATES THE NEED FOR PERSONAL RESPONSIBILITY. YOU MUST PROTECT YOURSELF AND OTHERS- AVOID LARGE GATHERINGS, WEAR A MASK, AND STAY AT LEAST 6 FEET APART FROM OTHER PEOPLE AND FREQUENTLY WASH YOUR HANDS.

This crime is committed when one recklessly engages in conduct that places another person in imminent danger of serious bodily injury. PLEASE TAKE THIS VIRUS SERIOUSLY, PROTECT YOURSELF AND OTHERS, WEAR A MASK, WASH YOUR HANDS AND KEEP 6FT DISTANCE
